Nature'R Us Landscaping Snow Removal 2024-25 Service Agreement

This statement of services is not a contract, bill, or invoice. It is provided to gather insight on services you may be interested in for the upcoming season, which also helps me to become more organized as I aim to offer the best service possible.

PLEASE FILL OUT THE INFORMATION BELOW – FINAL SUBMISSION DEADLINE IS OCTOBER 31st.

Form with fields: Customer Name, Service Address, Contact Phone, Email, Payment Due Date (15th of Nov, Dec, Jan, Feb, Mar, and Apr. for Seasonal / Monthly Contract).

Pay Per Snow Removal Service – Review & select from the following:

(Click and place a checkmark in the proper box)

Our snow removal services are available from November 15th to April 15th. You will only be billed for the services provided based on the chosen package. Our coverage includes snowstorms ranging from 5cm to 15cm (1.5" to 6"). An additional 20% extra charge per inch will be added on top of your base per push price. If you travel outside the country, we will send you an invoice that must be paid before we can provide services. Once the snow removal is complete, we will send you a photo of your property before and after the services.

- d) Salting: = \$ _____

Total Payment Due = \$ _____

Snow Removal, Salt, and Ice Melt Services Contract, Terms, and Policy

Please take note of the following information:

You will receive your invoice via email. You can make payments online using Visa or Mastercard or make an email money transfer (e-Transfer) to NatureRUsLandscaping@outlook.com. It's important to settle the payment within 5 days of the completed services or by the due date specified in your contract. You can make upfront, monthly, or per-service payments for snow removal based on your chosen package.

- **Extra Services:** Additional snow removal services, such as clearing the sidewalk, deck, side pathway, salting, or ice melting, will incur extra costs, which will be added to your invoice. If there's increased snowfall, the additional costs will be invoiced separately.

- **Payments:** If a payment is 30 days overdue without notifying us, your contract will be canceled, and services will be forfeited until payment is made. If you've saved your credit/debit card with us and wish to have invoices auto-billed, your card will be charged according to this schedule. Feel free to contact me for more information.

- **Service Plans:** We provide premium commercial and residential snow removal services on a seasonal, monthly, and on-demand basis. Priority is given to agreement-based packages, while on-demand services are subject to date availability. Our seasonal snow removal services are available from November 15th through April 15th, and we also offer year-round lawn and garden maintenance services.

- **5cm Threshold *:** We offer snow clearing services for snowstorms that accumulate 5cm to 15cm (1.5" to 6") of snow. If the snow accumulation exceeds 15cm (6"), an additional 20% charge will be added to your base price for every 5cm of extra snow. For instance, if there is a snowfall of 20cm (7-8 inches) and your monthly payment is \$155, you will be invoiced for the extra 5cm of snow clearance on that day. This will amount to $\$155 + 30\% (\$31) = \$186$. If you pay seasonally, we will divide the amount of your seasonal cost into 5 monthly payments and then add 20% to the monthly recurring payment. For example, if the seasonal cost is \$6000, $\$6000/5 (\$1,200) = \$1440$.

- **Visits to Service:** Monthly and Seasonal Packages include unlimited visits per season, divided throughout the season for snowfall that meets the required 5cm (1.5") and above the snowfall threshold.

- **Salt Availability:** The availability and pricing of our salt product depend on our suppliers. During heavy winters, there can be shortages that mean salt is unavailable, or our price increases. We will advise customers when this is the case.

- **Liability and Damages:** We cannot be held liable for slip and fall incidents or damage to property under this service agreement.

- **Snow Clearing:** We usually wait until the snow has stopped falling before starting snow removal services. However, in some cases, we clear snow while it's still snowing. The timing of our services depends on the amount of snowfall and traffic conditions. Typically, we complete our routes within 8-12 hours for regular snow events (less than approximately 10cm).

- **Snow Placement:** Cleared snow will be placed on your property at my discretion or in the client's designated areas. Snow piles may interfere with your listed service areas or access/parking on your property.

- **Noise:** We limit noise on light snowfalls, but gas-powered snow blowers may cause a disturbance.

- **Service Cancellation:** You can cancel services anytime by calling 416.807.7675 or emailing me at NatureRUsLandscaping@outlook.com. Services can be canceled immediately or at a later scheduled date. Thank you for choosing our services.

NOTE:

Visa cards, MasterCard, debit cards, Apple Pay, Google Pay, and PayPal incur a transaction fee of 2.9% + \$0.30, which will be added to your payments.

We understand how crucial it is to offer reliable service for your property. That's why we commit time and resources to ensure your property is well-maintained, regardless of the amount of snow. If there's no snow in some months, we'll compensate by putting in extra effort during snowier months and adjusting our schedule accordingly. Please be aware that refunds are not available. Thank you for choosing our services.

We are reliable, dependable, and affordable professionals with guaranteed top-notch services.
